BASF awards \$8,000 in scholarships to eight Ascension Parish, Louisiana high school students

GEISMAR, LA, August 11, 2023 – BASF has awarded scholarships totaling \$8,000 to eight Ascension Parish high school seniors who plan to pursue careers in science, technology, engineering and math (STEM).

“BASF is dedicated to investing in the development of the next generation of talent. The future of our industry and Louisiana begins with promising students like these scholarship recipients,” said Jerry Lebold, Senior Vice President and General Manager of BASF’s Geismar site. “Through this program, we’re able to recognize some of the state’s brightest students as they transition into higher learning and their careers. We congratulate these outstanding young people on their commitment and pursuit of knowledge.”

Each student received a \$1,000 scholarship from BASF to apply toward college tuition. The scholarship winners include the following students:

- **Ja’Nae Southall** – Donaldsonville High School, Panola College
(Microbiology)
- **Jaylon Butler** – Donaldsonville High School, Nicholls State University
(Biology)
