The Company had made a provision for impairment aggregating Rs. 954 lakhs in respect of the net fixed
- assets related to this, which had been disclosed as an exceptional item in the previous year. 4 Pursuant to the notification dated 29th December 2011 issued by the Ministry of Corporate Affairs amending the Accounting Standard 11, the Cornpany has exercised the option in terms of Para 46A inserted in the Standard for long term foreign currency monetary assets and liabilities. Consequently an amount of Rs.634 lakhs is taken to capital work in progress/fixed assets during the quarter ended 30th June
- 5 Figures for the quarter ended 31st March 2013 and the corresponding quarter ended in the previous year as reported in these financial results are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the end of the quarter of the relevant financial year. Also the figures upto the end of the third quarter had only been reviewed and not subjected to audit.
- 6 Provision for taxation includes provision for current income tax and deferred tax.
- 7 Previous period's figures have been regrouped, wherever necessary to conform to current period's classification.
