Dear Sir,

Re: BASF to acquire Solvay's global polyamide business

The Company has received information from its parent Company, BASF SE, Germany that it has signed an agreement to acquire Solvay's integrated polyamide business globally for a purchase price (on a cash and debt free basis) of EUR 1.6 billion. The said transaction is subject to approval by the relevant authorities and is expected to close in the third quarter of 2018.

Solvay has approximately 2400 employees globally and operates 12 production sites, 4 R&D locations and 10 technical support centres. For the full year 2016, the net sales of the business to be purchased from Solvay amounted to EUR 1315 million and EBITDA to around EUR 200 million.

The acquisition would complement BASF's engineering plastics portfolio and expand BASF's position as a solution provider for the transportation, construction, industrial applications and consumer industries.

Please treat the above information as intimation under Regulation 30 of the Securities & Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations, 2015.

Thanking you,

Yours faithfully,
For BASF India Limited
