

We create chemistry

News Release

BASF recognized as one of Canada's safest employers for 2023

MISSISSAUGA, ON, October 20, 2023 – BASF has been recognized by Canadian Occupational Safety as Canada's Safest Chemistry Employer. This is the fourth time BASF Canada has received this award.

Sponsored by the Workplace Safety and Insurance Board, Canada's Safest Employers Awards recognize companies annually across Canada for their efforts in promoting and maintaining outstanding health and safety in the workplace.

"We are absolutely honoured to receive this award. At BASF, we remain focused and committed to living through a safety mindset in everything we do, regardless of our role." Said **Sean Cammaert**, Head of Safety, BASF Canada. "We will use this recognition as encouragement to strive toward above-excellence safety standards in our communities."

About BASF

BASF Canada, headquartered in Mississauga, Ontario, is a subsidiary of BASF SE and an affiliate of BASF Corporation. BASF has more than 1,100 employees in Canada. For more information about BASF Canada's operations, visit www.basf.com/ca.

At BASF, we create chemistry for a sustainable future. We combine economic success with environmental protection and social responsibility. More than 111,000 employees in the BASF Group contribute to the success of our customers in nearly all sectors and almost every country in the world. Our portfolio comprises six segments: Chemicals, Materials, Industrial Solutions, Surface Technologies, Nutrition & Care and Agricultural Solutions. BASF generated sales of €87.3 billion in 2022. BASF shares are traded on the stock exchange in Frankfurt (BAS) and as American Depositary Receipts (BASFY) in the United States. Further information at www.basf.com.
