We recently celebrated a very special moment

Honoring and celebrating the dedication and contribution of our retiring Independent Board Members Mr. R. A. Shah and Mr. Arun Bewoor

We recently celebrated a very special moment

Welcoming our incoming new Independent Board Members
Ms. Sonia Singh and Mr. Bahram Vakil

EHS remains our top priority

We maintain a strong safety track record

- No high severity incidents in 2023 and YTD 2024
- No LTI this year
- 2 PSI, appropriate remedial measures taken
- Leading indicators like near miss reporting increased

LTI: lost time injury
PSI: process safety incident

BASF technicians carry out a routine safety inspection at Mangalore site.

Building For A Sustainable Future

We intensified our engagement with key customers

Successful technology days conducted with key automotive OEMs

Gurugram, Dec 21st, 2023

Chennai, July 22nd, 2024

Pune, July 31st, 2024

We launched new sustainable solutions

BASF Coatings division launched the NEW ARRAY color collection in April 2024 with focus on sustainability and functionality for our key automotive OEM customers.

We increased our local production capabilities in Mangalore

Expansion of e-Coat manufacturing facility in Mangalore on Apr 29th 2024 to address the increasing demand from automotive manufacturers in India, South Asia and ASEAN markets.

We are expanding our local production at Panoli

Expansion of the Performance Materials plant at Panoli for increased polyamide compounding production, estimated to be completed by Q2 2025.

We strengthen our development capabilities

Launch of our new Polyurethane Technical Development Center in Mumbai with state-of-the-art application equipment on May 28th, 2024.

We continue to launch innovations

Agricultural Solutions: Efficon® Insecticide – powered by Axalion® Active

Efficon® launch – May 6th, Hyderabad

Cotton farmer who has used Efficon® on his field

Efficon® treated versus non-treated cotton

We expand into new business opportunities

Commissioning of manufacturing plant at Dahej site to produce Aspiro™ supporting enhanced oil recovery business in India and the region - construction for alkaline surfactant polymer (ASP) blending plant has begun.

We create a more inclusive workplace environment at Dahej

Launch of Daycare facility at Dahej on May 8th, 2024 to support working parents, foster diversity & inclusion, and create a family-friendly workplace environment.

We support our customers on their sustainability journey

Dahej and Mangalore sites receive RedCert² certification supporting our customers in their low carbon footprint roadmap journey.

BASF Dispersions plants - First in India to be REDcert² certified

Dahej and Mangalore are now certified to supply low-carbon-footprint biomass-balanced water-based polymer dispersions products

Mangalore

Dahej

We continue to drive green energy transformation across our sites

PPA and Shareholder Agreement signed on Nov 30th, 2023 for additional green energy for Mangalore site.

We continue to engage at key conferences and associations

17 The Seventeenth Annual
INDIA CHEMICAL INDUSTRY OUTLOOK CONFERENCE & EXHIBITION
Knowledge Partner McKinsey & Company

Mr. Alexander Gerding
Managing Director,
BASF India Ltd.

BASF participated in 17th Annual India ICC panel discussion “Unleashing India’s Potential - Global Manufacturing Powerhouse for MNCs” on Feb 29th, 2024.

We continue to engage at key conferences and associations

BASF participated in Chlor-Alkali World Expo 2024 on Mar 6th, 2024 sharing our sustainability transformation roadmap and safety mindset.

BASF
We create chemistry

We continue to inspire kids to become climate champions

BASF Kids' lab Mangalore (Jan 29-Feb 10) and Bengaluru (June 19-30), with special focus on climate change, touching the lives of 4000+ students.

We increase female participation in the chemical industry

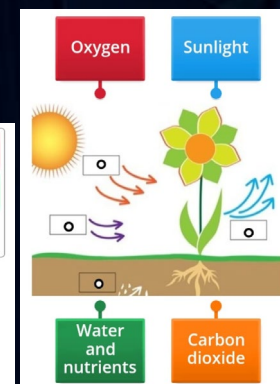

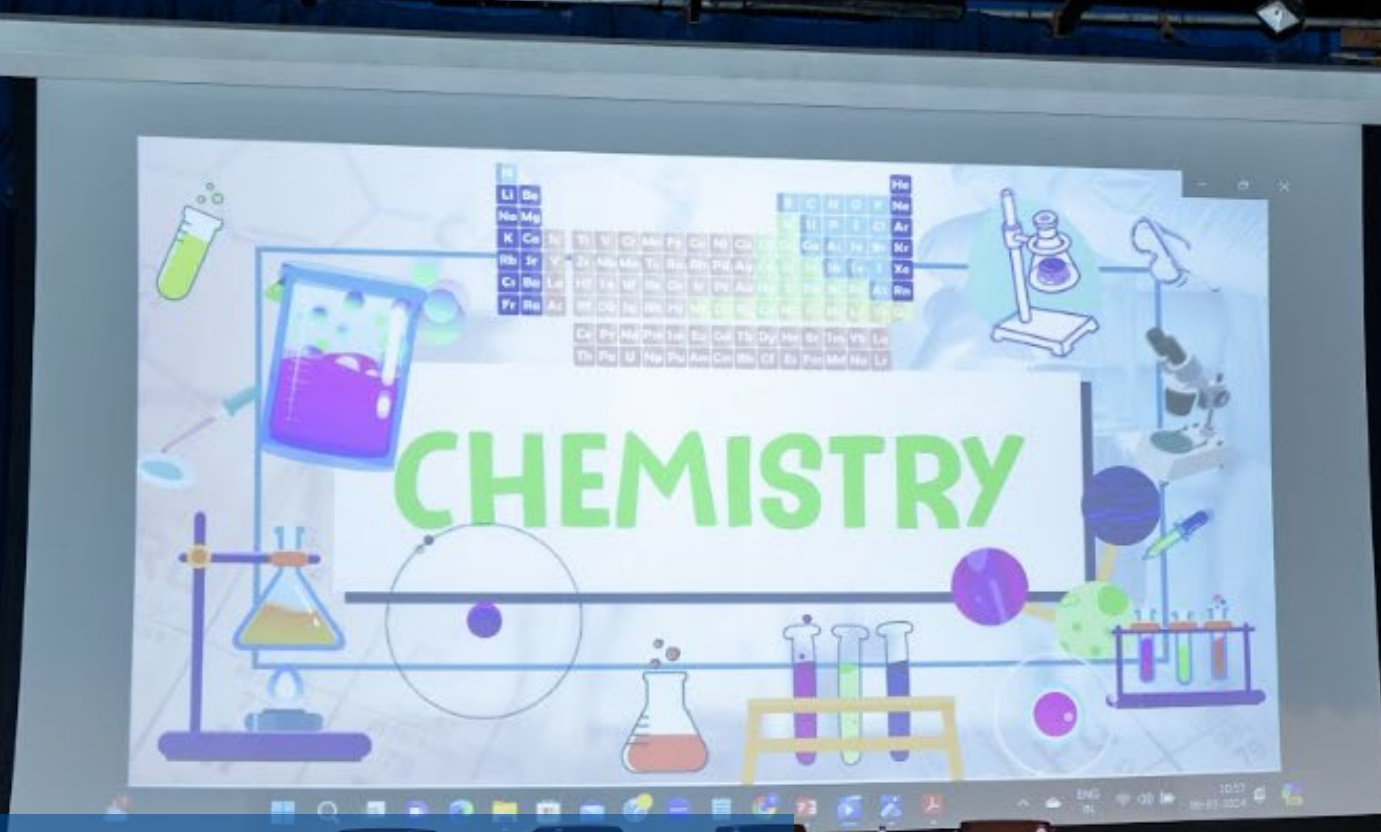

Over 40 students from Maharashtra recognized as part of the inaugural cohort of the We-Chemie (Women enabled for careers in Chemistry) program on Apr 11th, 2024.

We increase female participation in the chemical industry

MoU signed on Nov 29th, 2023 with OEM partner Mahindra and Mahindra for a joint CSR project to skill underprivileged women in the paint shop.

We launched a gamified learning platform - ChemAmaze

Vitamin B9	Vitamin C
Vitamin A	Vitamin B12
Vitamin D	
 Protects eyes. Helps to keep bones healthy.	 Growth of the body
 Formation of red blood cells	 Absorbs calcium and phosphorus for healthy bones and teeth
 Protects body tissues, formation of collagens	

On March 6th 2024, the Scientific Secretary, Government of India, launched ChemAmaze, a gamification platform developed in collaboration with IIT Madras to make chemistry education fun and easy to learn via games.

We enable water conservation in water-stressed areas

Together with NAAM Foundation we created a 4km water canal to avoid flooding of neighboring crops and to conserve and direct water towards ponds and wells for sustained utilization. This will enable farmers in three villages (Ambala, Bhingi, Warang) to grow a second crop and increase the livelihoods of their families and communities.
