

# #BASFpride

We value diversity among our employees and regard it as essential for the success of BASF.

Corresponding to our values, we promote an open and respectful work environment at BASF in which every employee feels welcome regardless of their sexual orientation and/or identity.

 **BASF**

We create chemistry

# LGBT+ Friends

Together for Diversity & Inclusion

## Our mission:

**Connecting** LGBT employees and allies and enabling company-wide interaction.

**Sensitizing** employees and executives to LGBT issues, establishing acceptance and advising when needed.

Promoting the **advantages of diversity** for BASF competitiveness and attractiveness.

Appealing to increasingly diverse **clients** and **business partners**.
